

THE ERIC CASPERS CHEF-MANAGER WORKSHOP

MONDAY, OCTOBER 26, 2015

A DAY AT BLUE STONE BARN

The Metropolitan Club Foundation is pleased to announce its 2015 Chef-Manager at Blue Hill at Stone Barns. This is a unique opportunity to spend the day touring, learning and dining at Stone Barns Center for Food and Agriculture, which is a non-profit educational center with partner restaurant Bill Hill at Stone Barns. Stone Barns promotes sustainable agriculture, local food and community-supported agriculture.

We will begin the day with an Insiders Tour of the property. This 60-minute walking tour is a behind-the-scenes look at the greenhouse, growing field and livestock pastures, led by a farm expert. Participants will learn about the history of the barns, the rotational growing practices currently at work and the ongoing collaboration between the farm and the restaurant. Following the tour will be a 60 minute panel discussion (speakers to be announced).

Participants will then enjoy a reception followed by a three course luncheon menu with sommelier paired wines. Due to the set-up of the venue space is limited. Please see below for important information regarding registering for this event. Professional dress is required.

9:30 a.m. - Registration

10:00 a.m. - Tour
