JIM GLOVERS' DEEP THOUGHTS

The good we take with us at the "last call" is the good we do while here.

Some are darn great, some achieve greatness, and some hire Public Relation Officers.

The manner of giving shows the character of the giver more than the gift itself.

Time is neutral and does not change things.
With courage and initiative, leaders change things.

If you can't say something good about someone, sit right here by me.

At a dinner party one should eat wisely but not too well, and talk well but not too wisely.

An idealist is a person who helps other people to be prosperous.
