DAN CLARK on

FORGOTTEN FUNDAMENTALS

Wednesday, April 11, 2012

Dan Clark is a NY Times Bestselling Author, a primary contributor to the Chicken Soup for the Soul book series and Hall of Fame Speaker *and he can't wait to see you in April!*

Dan's hilarious quick wit and powerful inspirational stories will stir you to look inward for solutions, exercise more passion, creativity and imagination, overcome obstacles and excel where you thought you couldn't even compete! Is pressure something that is naturally there, or does it occur when we question our ability?

By emphasizing key forgotten fundamentals, Dan will show you how to become brilliant at the basics. Dan has met and interviewed hundreds of famous celebrities, athletes, entrepreneurs and world leaders and has learned the secrets to their success firsthand. And now he wants to share it with you! Join us for this in-depth, active workshop where he will ask four provocative questions that become the building blocks for his 4 cornerstones. Dan then delivers the powerful solutions that will take you to a higher level of execution and bring your desired results. You will leave empowered with internal intensity, reenergized to dig deeper with revitalized strength to do whatever it takes to succeed. Not because it is expected by others, but because you demand it from yourself!

Great session for your management team before the season begins.
