Successful Leadership Principles - Leadership

Bryan Dodge comes to you with a very timely and informative message that keeps his audience in tune to every word. This powerful session brings you the highlights of Bryan's "How to Be a Better Leader" seminar. He will address the important issues faced by all managers. You will learn the three main keys of leadership as well as gain the understanding of why employees don't do what they are supposed to do. Your leadership skills will be enhanced by the teachings on triangle of chance and the key components for greatness in life. You will gain valuable knowledge on how to keep your employees motivated. You will gain knowledge of the five characteristics of personal belief and the four questions that will really determine your people's level of commitment. Remember we all lead in one form or another. This is a must-see program.
