

FOURTH ANNUAL VENDOR EXPOSITION

On Tuesday April 7, 1998 the Fourth Annual Vendor Exposition was held at Westchester Country Club. Over 500 attendees and over 100 exhibitors showed off their products and services. Net proceeds of this event totaled approximately \$40,000. The beneficiary of the show is the Metropolitan Club Foundation.

Special thanks go to the Westchester Club Chefs Association, President Jeff G. Martocci of Metropolis Country Club, and John E. Chevalier of Fairview Country Club, who Chaired for the Chefs at the show. The two sponsors of the event were Condon, O'Meara, McGinty and Donnelly and Suburban Carting who have donated over \$6,000 and \$4,000 respectively over the past four years.

Once again the show was a big hit for all who were there. The show features first class service to those exhibiting, also professional attention and courtesy came from you the members of MCMA. I thank you for helping the Vendor Show Committee put on such a special day for our peers.

The Westchester Club Chefs Association with Vendor Show Chair Scott Burne and Co-Chair Michael Loper

I am proud of the standards that have been established over the past four years and am happy the show contributed greatly to the success of the Metropolitan Club Foundation.

This was the third year I have had the pleasure of chairing the show. It has given me great pleasure to work with the Committee, the Club Chefs Association and members of the Westchester Country Club's management team. I wish them all the best of luck in the future. I wish the future Chairman Michael Loper all the success with the event. He especially deserves it. Thank you Michael!

This year Michael Loper, who Co-Chaired the event with me, along with Randy Ruder, Scott Garvin and Troy Albert all performed above and beyond the call of duty. Thank you gentlemen for your efforts.
