

July 2020

Dear Metropolitan Chapter Member,

It is time to begin our search for those exceptional hospitality students who may be deserving of a 2020 Keith Roth Scholarship. This scholarship is open to graduate or undergraduate students currently enrolled as a full-time student studying hospitality management or allied profession.

This scholarship was established in memory of Keith Roth who while serving on our Chapter's Board dedicated most of his time to the Association's scholarship endeavors. This scholarship memorializes his work and the influence he had on students because of his efforts to raise meaningful funds for them.

We encourage you to pass this information along to any qualified student. The deadline for applications to be received is Wednesday, September 30th.
